

New Rates are going into effect July 20th, 2016. Current families will not have a change in rates but if your child will be transitioning into another age group they will fall under the new rates. Please let the director know if you need a financial hardship exemption when your child transitions. New rates are attached.

We are planning to have graduation at the end of summer on Friday, September 2nd. This way it coincides with the children's final week in preschool. More information on this event will be released in our summer newsletter.

Reminders

Please let us know if your child will not be attending over the summer so we can allow children on our waitlist to attend.

Please keep at least one extra change of clothing for your child's cubby. For children who are not fully potty trained, please bring 2-3 outfits each day.

As the sun gets stronger we will need sunscreen for outdoor play. Please do not bring aerosol sprays. Our playground is nicely shaded but sun exposure is possible, particularly when we stay outside for longer periods. You may bring bug spray if you would like for us to apply it to your child. We are ordering tick tubes and a mosquito magnet in an effort to reduce the likelihood of insect bites.

Water days will be alternating Tuesdays & Wednesdays. Please bring a swimsuit for your child or let us know if you would not like for them to participate. The website will be updated to indicate what events will be held on which days.
