LEARNING IS FUN AT FGNS!

*We love science, technology,
engineering, arts and math!*

INFORMATION AND REMINDERS

As we head into summer, it would be helpful to have the following items stocked in cubbies and replenished as needed:

- Sunscreen and bug spray (if you want your child to wear them),
- a bathing suit and towel,
- a water bottle,
- a full package of diapers and wipes for toddlers, and
- at least one full change of clothes including socks and underwear. If your child might have an accident, please leave at least two.

Please remember to bring a snack at the beginning of every month. Fresh fruits and vegetables are greatly appreciated, along with anything else your child enjoys! The children love to be a part of this task.

Please be sure to drive slowly and carefully through the parking lot as there may be small children entering or exiting a vehicle.

You will find information on important announcements or information, clipped to the sign next to the "sign in" sheet. You will notice our new holiday, closures and sign up days calendar is currently clipped to the sign. You should have also received a calendar in your child's cubby. Please ask if you need one. **Remember, we are closed on Friday, July 3rd 2015.**

There is a new snack sheet posted on the parent information board in the front room. Please check off your child's name each time you bring in your snack for that month.

Please be sure to let us know at least two weeks in advance if you need to change your child's schedule. We need to make sure we offer any open slots to families in need of child care.
